Chest Campaign Goes Over Top

Torrance area volunteers racked up 96 per cent of their Community Chest goal as the overall Los Angeles Area Community Chest went over the top for the first time in eight years.

In all, \$11,509,580 was raised for support of 155 United Way services, or 100.1 per cent of goal.

Final 1962 reports were made last Thursday at a victory luncheon at the Statler-Hilton, attended by more than 600 volunteers.

Fred Mill, area chairman, reported the following community standings by percentage of goal: Harbor City-Lomita, 101 per cent; Wilmington, 100 per cent; Palos Verdes, 93 per cent; Gardena, 92.5 per cent; Rolling Hills, 87 per cent; San Pedro, 86 per cent; and Torrance 83 per cent.

Hundreds of subscriptions are still in the hands of volunteers and donors in the area, according to Mill, and persons are urged to send these to Community Chest, 200 E. Anaheim, Wilmington, or call Terminal 5-7126 to have them picked up.

Mill announced the following Harbor Area leaders in various campaign units: City with highest percentage — Jimmy Visceglia trophy — Walter Scheppmann, Harbor City-Lomita chairman.

City with best organization — Ora Kaye trophy — Harbor City-Lomita.

Advance Gifts — Frode Kilstofte trophy — Dr. Maurice Okum, San Pedro.

Residential unit chairman — Al Robinson trophy — Mrs. Bonnie Trambley, North Wilmington.

Commerce and Industry

Division Chairman — Spinak trophy — Glenn Younkin, Bank of America, Gardena.

Business — Retail Clerks Local 905 trophy — Bill Soady, Harbor City-Lomita.

"These volunteers and hundreds of others deserve the credit for our accomplishment in the area," Mill said.

"They, together with generous residents and businesses who showed how much they cared, helped swell the overall Chest total."

Awards for volunteers, firms, employ groups will be given at the annual Torrance Area Community Chest meeting to be held in the spring of 1963, Mill added.

Alter Realty Opens New Branch Office

Alter Realty and Insurance has announced the opening of another branch office at 1402 Cravens Ave., in downtown Torrance, according to Gerald L. Alter, president of the realty corporation.

This office, specializing in rentals and property management, will be managed by Calvin H. (Cal) Bostwick, realtor with the Alter firm for over four years.

Gerald L. Alter, president and founder of Alter Realty and Insurance, Alter Building Co. and Alter Insurance Agency, Inc., has been a realtor and builder in the Torrance area since 1936.

Other branch offices are located at 1331 W. Carson St. and 20290 S. Western Ave., while the main office is located at 2305 Torrance Blvd., Torrance.

Torrance Girl Among Top U.S. Students

Barbara Weaver of Bishop Montgomery High School is one of 870 outstanding students of high school English in the country.

She was named a 1962 national winner by the National Council of Teachers of English in its annual Achievement Awards competition.

Miss Weaver was nominated last spring to represent Bishop Montgomery in the competition.

When announced, winners are recommended by the Council for College scholarships in 1963.

The NCTE sends to all winners and runners-up scrolls of recognition. It honors their high school departments with certificates of merit.

Bank Group Names Yearly '63 President

Robert C. Yeary, president of Pacific State Bank, Hawthorne, has been elected 1963 president of the Independent Bankers Association of Southern California, composed of 50 Southland community banks.

He has been president of Pacific State Bank since March, 1956. Under his direction the bank has expanded rapidly and now has six offices in surrounding areas, and total resources of approximately \$34,000,000.

In addition to his banking responsibilities, Yeary is active in community affairs. He is a past lieutenant governor of Kiwanis, a director of the Hawthorne Chamber of Commerce and the Non-Profit Hospital Association.

New Recruits Assured Yule Home Leaves

Assurance of "home with the family for Christmas" has been announced by the U.S. Army for those enlisting in December.

The plan offered by the U.S. Army Recruiting Service allows an enlistee signing up for a regular three-year tour to remain home "on leave" immediately after being administered the oath of enlistment.

According to SFC Elgin C. Elliott of the U.S. Army Recruiting Station at 1319 1/2 Sartori Ave., Torrance, this "guaranteed plan" has proved popular in the past and is continued because it allows a young man to plan for the holidays and still take advantage of the Army's choice of opportunities offered during December.

"Under the Army's program," Elgin explained, "a man applying for enlistment, if found fully qualified, will receive all the necessary physical and mental examinations and his oath of enlistment before returning to his home for Christmas leave."

Details of this program and the many choices offered today by the Army, the sergeant said, may be obtained at the recruiting station or by calling him at FA 8-7069.
